MAGIC MIRROR PHOTO BOOTH

EXPERIENCE THE REAL MAGIC

The Magic Mirror Photo Booth is an interactive full-length mirror that turns every moment into a fun, engaging photo experience. Guests simply approach the mirror, tap to begin, and strike a pose as a playful on-screen countdown guides them.

The built-in camera captures each shot through the two-way mirror, while guests can instantly review their photos, add filters or text, and personalize their images. Finally, the booth prints high-quality photos on the spot, with the option to share digitally, creating keepsakes that guests will treasure long after the event.
